RECOMMENDATION:

That the Board of Trustees approve the attached Spending Plan for Fiscal Year 2026 of \$1,816.1 million for the University of Connecticut, Storrs and Regional Campuses.

RESOLUTION:

"Be it resolved that the Board of Trustees approve the Fiscal Year 2026 Spending Plan of \$1,816.1 million for the University of Connecticut, Storrs and Regional Campuses."

BACKGROUND:

The FY26 Spending Plan includes \$1,778.2 million in revenue, covering \$1,816.1 million in expenses and transfers and incorporates a \$37.9 million mitigation plan. That plan contains multiple strategies including departmental spending reductions and utilizing unrestricted reserves to balance the budget.

The General Assembly has approved a state budget for FY26 that includes a block grant of \$268.2 million. We are grateful to the numerous champions for UConn working tirelessly to advocate for funding for the University.

UConn will manage its budget closely throughout the fiscal year and continue to focus on protecting academic excellence and promoting holistic student success.
