TO: Members of the Board of Trustees

Interim Vice President for Finance

RE: Amended and Restated Thirty-third Supplemental Indenture Authorizing
University of Connecticut General Obligation Bonds

RECOMMENDATION:

That the Board of Trustees approves the Amended and Restated Thirty-third Supplemental Indenture, substantially in the form attached hereto, authorizing University of Connecticut General Obligation Bonds secured by the State of Connecticut's (the "State") Debt Service Commitment in an amount not to exceed \$276,000,000 plus costs of issuance, plus amounts carried forward from the Thirty-first Supplemental Indenture. The State has approved the University of Connecticut Health Center Joint Venture Initiative with a revised authorization of UCONN 2000 Debt Service Commitment Bonds for fiscal year 2026 in the amount of \$276,000,000. This Amended and Restated Thirty-third Supplemental Indenture increases the authorization for fiscal year 2026 from \$128,000,000 to \$276,000,000 and adds the University of Connecticut Health Center Joint Venture Initiative to the list of projects to be financed with the increased authorization for fiscal year 2026. Following Board approval of this Amended and Restated Thirty-third Supplemental Indenture, the University will seek the Governor's approval to authorize the revised full \$276,000,000 bond allotment.

BACKGROUND:

The University of Connecticut Health Center Joint Venture Initiative has recently been approved by the State with a revised \$276,000,000 of UCONN 2000 Debt Service Commitment authorizations for fiscal year 2026. On June 25, 2025, the Board of Trustees approved the Thirty-third Supplemental Indenture, which authorized bonds in the then maximum statutory amount of \$128,000,000. The Thirty-third Supplemental Indenture was submitted to the Governor and deemed approved in accordance with the UCONN 2000 Act. Following Board approval of this Amended and Restated Thirty-third Supplemental Indenture, the University will seek the Governor's approval to authorize the revised full \$276,000,000 bond allotment. Should the Governor approve the Amended and Restated Thirty-third Supplemental Indenture, the original Thirty-third Supplemental Indenture will no longer be in full force and effect.

This recommendation, if approved, will serve as the Board of Trustees' resolution for approval of the Amended and Restated Thirty-third Supplemental Indenture and for the series of bonds to be issued in accordance therewith.
